2.3 Financial Situation

Mortgage Choice Freedom Tailored Plus product has been designed for customers who meet our credit policy criteria, which includes:

- having a sufficient deposit (if purchasing) or equity in their property (if refinancing);
- having the ability to meet the agreed repayments of their loan (including interest and charges) in accordance with the loan contract without hardship.

2.4 Excluded class of consumers

This product has not been designed for individuals whose predominant purpose is not to purchase residential property in Australia, for example but not limited to, the purpose of commercial property or solely to fund business operations.

Mortgage Choice Freedom home loans may not be suitable for all eligible home loan customers, due to our credit risk appetite as governed by our credit policy which may be updated from time to time, or because of their financial position or the nature of their income sources.

2.5 Consistency between target market and the product

The product is likely to be consistent with the objectives, financial situation and needs of the class of consumers in our target markets based on the key terms, features and attributes of our home loans.

The design of our credit policy and distribution policy ensures that our products are only sold if the relevant product is assessed as meeting the likely objectives, financial situation and needs and objectives of the relevant customer.

3. How these products are to be distributed

Mortgage Choice Freedom home loans are distributed via accredited Mortgage Choice brokers and via the realestate.com.au website.

The product must only be distributed to customers in accordance with Athena's product, credit criteria and process requirements. All customers must satisfy applicable credit assessment criteria which demonstrates the customer's ability to service the loan. In addition, the below table identifies the distribution channels through which the product can be sold and sets out the distribution conditions that apply.

3.1 Distribution conditions

The product may only be distributed:

- if the customer meets the eligibility and credit criteria; and
- the product is likely to meet the objectives, financial situation and needs of the customer; and
- each distributor and/or their employees are appropriately trained and accredited to distribute the products; and
- under the following circumstances:
